Champion Patient Seating

+1.800.998.5018
championchair.com
Champion has been leading the way in patient seating design since 1992. This singular vision quickly made us a market leader and continues to inspire us to do one thing and do it right – make quality seating for the healthcare environment.

Champion offers a broad range of choices in models, features, options, and accessories so that you can create customized seating solutions for your patients and staff. This adaptability means you’ll find us in most departments and disciplines of the healthcare environment, such as:

- Ambulatory Surgery
- Allergy Therapies
- Anesthesia
- Bariatrics
- Cardiology
- **Dialysis**
- Ear, Nose and Throat
- Emergency
- Eye Surgery
- ICU
- Infectious Diseases
- **Infusion Therapy**
- Hyperbarics
- Imaging
- Labor and Delivery
- Mental Health Care
- Neurology
- Nocturnal Therapies
- Nuclear Medicine
- **Oncology/Hematology**
- Orthopedic
- Outpatient Surgery
- Overnight Guest
- PACU
- Pain Therapy
- Patient Rooms
- Pediatrics
- Phlebotomy
- Podiatry
- Pre/Post Op
- Rheumatology

180° swing-away arms for transfer and infection control.

Flat body Trendelenburg position for improved comfort and stability.

Popular options include heat/massage, USB ports, and tablet tables or monitor mounts.
Classic
Champion’s Classic recliners are the “work-horse” of medical patient seating. Durable, reliable, and comfortable – the Classic is what rigorous health care environments demand.

Continuum
The most flexible design in Champion’s portfolio, Continuum takes your patients and their guests from day to night seamlessly. Seated upright, reclined or fully horizontal for sleeping, Continuum’s comfort and versatility are limitless.

Ascent
The Ascent takes patient seating to the next level. Ascent delivers Champion’s hallmark toughness and functionality, with an extra dose of cushioning and contouring for superior patient comfort and support.

Ascent II
The Ascent II offers a new aesthetic, suggestive of traditional wing-back forms, yet is anything but old-school. Its intriguing design is big on comfort and big on curves.

Passage
Passage welcomes you with residential styling, function and scale. Passage offers all the features you expect in serious medical seating, while the design says “make yourself at home.”

Elevate
Champion’s Elevate combines quality and efficiency by utilizing a fully-powered adjustment system. Designed for a variety of uses, the Elevate is a forerunner in the advanced healthcare arena.

Service
All Champion chairs are backed by our factory-based Customer Care team. The Customer Care team can easily access the expertise of product engineers and production leaders to create effective service solutions. Modular design makes replacing parts on Champion recliners quick and easy for great ROI – for years to come.

Options & Accessories
Champion knows that every patient defines comfort differently. Each Champion chair is available with a bevy of options and accessories to empower patients to make themselves comfortable.

Since 1992, Champion has served the healthcare industry with innovative solutions that accommodate your entire organization – including the industry’s leading recliner.

Contact your Champion representative to create your custom medical chair!
Patient comfort, ease of use, dependability and long life make our classic 54 Series the “workhorse” recliner/transporter of the industry. The 54 Series is engineered for your most demanding applications, including around-the-clock use. Durable five-inch casters roll easily during transport.

**STANDARD FEATURES**

## ACCESSORIES

Provide your patient the best care and comfort with an over-the-lap tray, cup holders, head pillow/lumbar support, cushion wedge/arm support, footrest extender, TV mount, nocturnal sleep pad, side guards, IV poles or an oxygen tank holder. For a complete list of our accessories, please see our Accessories brochure or ask your Champion sales representative for more information.
Providing a cost effective alternative when patient transport is not required, the 59 Series starts off with durable three-inch casters that bring the recliner closer to the ground. From there, build the recliner to meet the needs of your patient population by adding available options and accessories.

STANDARD FEATURES

- Stationary arms
- 3” steel casters
- Wall-hugger mechanism (infinite recline positions)
- Quick-release seat

The 85 Series Recliner Transporter offers all of the classic features of a Champion with the convenience of swing-arms. Continuing Champion’s tradition of durability, it features a rock-solid steel frame. Standard swing-arms provide versatility, easy cleaning, efficient maintenance and patient transfers. Durable five-inch casters roll easily during transport and raise the chair to a comfortable height for staff.

Printed color swatches may not be an exact match to actual fabrics and are enlarged to show detail.

*The 85P (without the heat and massage option) is UL 60601-1 certified.

Luxe and stylish, the Ascent II power recliner puts a new twist on serious medical seating. The curved top-line of the seat back offers additional head room while the “wing-back” design adds style and customization options for designers. Standard features such as swing-away arms and a removable seat aid in meeting infection control goals, four-inch, twin wheel casters are corrosion resistant and roll with ease, and a hand-held remote fallows for easy patient positioning.

### STANDARD FEATURES

- Hand-held remote

Champion Manufacturing, Inc.  2601 Industrial Parkway, Elkhart, IN 46516
The Continuum offers welcome comfort in a style perfect for patient rooms or any treatment center where patient transport isn’t needed. Well-sized and roomy for patients up to 400 lbs., the Continuum boasts an infinite-position back rest that lets patients easily control their own comfort and a familiar, lever-driven leg rest, both of which work independently. The left arm swings open 135° for transfer and cleaning. Over-night patients or guests can lay themselves completely flat without staff assistance and sleep comfortably.

**STANDARD FEATURES**

- Lever activated foot rest and actuation release for back rest
- Foot-release Trendelenburg (access from both sides of chair)
- Steel, powder-coated frame
- 3” thermoplastic casters (rear locking)
- Swing arm on patient’s left side
- Quick-release seat

**CHAMPION SOFT VINYL SELECTION**

The Passage recliner offers soft, radius lines for a more “at-home feeling” that fits flawlessly in a patient room setting. The Trendelenburg feature comes standard and is unmatched in efficiency and ease of operation. The Passage is ideal for use in oncology, surgery centers, dialysis, infusion therapies, patient rooms, long-term care environments, at-home infusion, other home therapies where patient transport in the recliner is not needed.

This unique, fully-powered infusion chair is the newest evolution in patient seating. Complete with popular features requested by our customers, the Elevate responds to the desires and needs of caregivers and customers alike.

The lower seat height allows for easy entrance from the front of the chair, while moveable arms facilitate entry from the side as well as ease of lateral patient transfer. Vertical height adjustment is key for caregivers and the hand-held remote allows for ease of positioning, while the smaller footprint saves crucial floor space.

Additional clinical features of this chair also include an emergency foot switch for the Trendelenburg position, a central locking caster system, and battery backup.
Elevate MULTI-PURPOSE HEALTHCARE CHAIR

Champion’s Caregiver Clinic stools are all-purpose seats to meet your exact needs. All stools offer a pneumatic cylinder for easily adjustable height options along with either a composite or polished aluminum base. Three and a half inch foam padding, a 15-inch seat and sealed seams provide caregivers with comfort and durability. Optional backrests are available on all clinic stools. Available in a wide range of standard and up-graded vinyls, they can be designed to compliment any interior.
Champion’s Task Chairs come standard with a large, adjustable seat on a 25-inch pedestal. The height adjusts easily with a hand lever under the seat and the foot-ring creates a comfortable place for users to rest their feet. Champion’s Task Chairs are ideal for nurse’s stations, computer terminals, clinic offices, lab rooms or other applications.

## PATIENT COMFORT

### Head pillow
Can also provide adjustable lumbar support when head pillow is moved down. Do not use as lumbar support on recliners with heat. Large strap holds secure. Logo emboss optional.
- Part # HP (for Classic and Ascent recliners, indicate color)
- Part # HPCB (for Ascent II and Continuum recliners, indicate color)
- Part # HPPS (for Passage, indicate color)

### Cushion wedge
Rests on seat beside chair armrest. Provides additional arm cushion surface.
- Part # CW (indicate color)

### Nocturnal sleep pad
Converts Classic recliner into sleeper by providing a flat, comfortable sleep surface. Easy to install, clean and store.
- Part # NS (for standard size Classic, Ascent and Ascent II recliners, indicate color)
- Part # NSX (for bariatric size Classic, Ascent and Ascent II recliners, indicate color)

### Sleep guards*
Removable sleep rails provide security to both patient and caregiver for overnight treatments. For recliners with solid panel (no break arm).
- Part # SLEEPGUARD (for Classic recliners, indicate color)
- Part # SLPGURDCURVARM (for Ascent & Ascent II lines, indicate color)

### BRK sleep guards*
Removable sleep rails for recliners with break-away arm tops.
- Part # BRKSLPGUARD (factory-installed, indicate color)

### Foot rest extender
Comfortable support for taller patients’ feet when in full recline position.
- Part # FE (indicate color)

### Arm caps
Extended arm surface for added patient comfort and style.
- Part # V (for Continuum & Passage models only, indicate color)
- Part # E (molded arm caps. Black only. For Ascent & Ascent II lines)

## PATIENT CONVENIENCE

### Bag hook
Convenient stainless steel hook for Foley bag or other equipment.
- Part # BAG HOOK

### Personal items storage bag
Store multiple personal items in one convenient bag includes stainless steel hook.
- Part # BAG (indicate color)

### Articulating tablet arm*
Set a tablet or phone on it for viewing or working purposes. Black or grey.
- Part # AATBLT-FX (fixed position for Classic recliners only - grey)
- Part # AATBLT-FXB (fixed position for Classic recliners only - black)
- Part # AATBLT-SW (swing arm for all Ascent, Ascent II, and bariatric Classic recliners - grey)
- Part # AATBLT-SWB (swing arm for all Ascent, Ascent II, and bariatric Classic recliners - black)

### Articulating TV arm*
Mounts and positions TV for individual patient. Designed for most recliners.
- Part # AATV-FX (fixed position for Classic recliners only)
- Part # AATV-SW (swing position for Ascent and Ascent II lines, and bariatric Classic recliners)

### Universal tablet/ smartphone holder
Extends to fit both tablets and smartphones. Elevate only.
- Part # E8UHOLDL (mount L side)
- Part # E8UHOLDR (mount R side)

### TV arm/bracket for Passage Series
Arm and bracket designed for Passage Series recliner only. (No photo)
- Part # TV-PFMOUNT (factory-installed or retrofit for fixed arm recliner)
- Part # TV-PSMOUNT (factory-installed or retrofit for swing-away arm recliner)

*Accessories marked with an asterisk are available to be retrofit onto existing recliners. If you would like to retrofit your recliner with one or more of those accessories, please speak with your Champion representative.

### NOTE:
Not all accessories are compatible for use with all recliner models. Ask your Champion sales representative for details.
### Covers

**Push handle cover**
Covers and protects push handle, protects wall surfaces.
Part # HA-PAD (black)

**Head flap protector**
Speak with your Champion Sales Representative for individual part numbers based on chair model and chair color.

**Arm covers**
Minimize wear-and-tear on recliner arms. Easy to clean.
Part # AC (Classic models only, indicate color)
Part # AC5 (Ascent and Ascent II models only, indicate color)
Part # AC2 (Concord model only, indicate color)
Part # ACP (Passage model only, indicate color)

**Paper roll holder**
Minimize the risk of cross contamination, quickly and conveniently. Comes with one paper roll. Additional rolls must be purchased from a paper provider.
Part # PAPER-STD (for standard size Classic, Ascent & Ascent II, and Continuum recliners)
Part # PAPER-CND (for Concord)
Part # PAPER-XL (for bariatric Classic, Ascent & Ascent II recliners)

### Tables

**Fold-away table (with cupholder)**
Cupholder for fold-away tables. Order with table. Black only.
Part # C (both L and R tables)
Part # CUPHOLDER (one table, specify L or R)
Fold-away table for Ascent II line, Passage or Continuum models. Black only.
Part # FB (first table)
Part # SB (second table not available on Continuum)

**Black over-the-lap tray (with cupholder)**
Tray has slightly curved design. Black only.
Part # LT-BRTC (for Classic, Ascent, and Ascent II recliners)
Part # LT-BRTXC (for Classic XL, Ascent XL & Ascent II XL)
Part # LT-BRTCC (for Continuum only)

**Multifunctional Table**
Table mounts to right or left side. Elevate only. White.
Part # EBMFNCBL (mount side L, Elevate only)
Part # E8MFNCBR (mount side R, Elevate only)

**Articulating quick release table**
Table comes in black or grey with a right or left side mount. *(No photo)*
Speak with your Champion Sales Representative for individual part numbers based on chair model, table color and mounting side.

### Miscellaneous

**Oxygen tank holder**
Holds most oxygen tanks or O² Concentrators, mounts to most chairs. Not available for the Elevate.
Part # O2TANK1L (mount L side for fixed arm for Classic recliners)
Part # O2TANK1R (mount R side for fixed arm Classic recliner)
Part # O2TANKSWNGL (mount L side for swing-away arm Ascent, Ascent II, and Classic XL recliners)
Part # O2TANKSWNGR (mount R side for swing-away arm Ascent, Ascent II, and Classic XL recliners)

**IV pole**
Extendable IV poles are easily mounted to the recliner, or simple to use in a rolling base.
Part # IVPOLE1 (2-hook)
Part # IVPOLE4 (4-hook)
Part # E8IVPOLEL (mount L side, 4-hook, Elevate only)
Part # E8IVPOLEL (mount L side, 4-hook, Elevate only)

**IV bracket**
Bracket attaches IV pole to recliner. Saves floor space and eliminates separate IV equipment when moving patient.
Part # IVBRK

**IV rolling base, locking**
IV poles lock securely into this five-caster base.
Part # IVBASELK

**Arm support**
For caregiver use when starting IVs. Right or left side mount.
Speak with your Champion Sales Representative for individual part numbers based on chair model, chair color and mounting side.

**Arm support bracket**
Part # ADJARMUSPPBRK (for Classic, Ascent and Ascent II recliners)

**Elevate push handle**
Easily position the Elevate in treatment areas. *(No photo)*
Part # EBHANDLE (for Elevate, white)

**Transparent plastic leg rest cover**
Keeps leg rest clean. Elevate only. *(No photo)*
Part # E8TPLCVR

Cleaning and Maintenance

Clean all stains as quickly as possible and use the following cleaning procedures for best results.

**Step 1** Remove any excess spills with a damp cloth. Clean with a mild liquid soap and water mixture. Rinse with clean water and dry.

**Step 2** Use a straight application of concentrated cleaners such as Fantastik® or Formula 409®. Rinse with clean water. Wipe with clean cloth.

**Step 3** For more difficult stains, use a 1:10 mixture of household bleach and water (10% bleach, 90% water). Rinse with clean water and dry. Never use bleach at full strength to clean these materials.

The following disinfectants have been tested for use, diluted per manufacturers' instructions, on the materials shown on this card: Clorox® Healthcare Hydrogen Peroxide Disinfectant Wipes, Sani-Cloth® HB, Sani-Cloth® Plus, Virex® II 256, Wex-cide 128.

The material must be rinsed with clean water and dried with a clean cloth following cleaner application. Failure to rinse thoroughly with clean water and to pat dry may lead to cleaner build up and cause surface deterioration (cracking, blisters, peeling, discoloration, etc.).

The use of certain agents can be harmful to the surface appearance and lifespan of the material. Do not use cleaners marked “for hard surfaces only”. Indiscriminate use of strong cleaning products can severely damage or discolor this material.

To request additional cleaning and maintenance information, or to inquire about other disinfectants and cleaning solutions which may be approved for use on these materials, please contact CF Stinson at 800.841.6279 or visit cfstinson.com.

Fantastik® is a registered trademark of S.C. Johnson & Son, Inc.
Formula 409® is a registered trademark of The Clorox Company
Clorox® Healthcare is a registered trademark of The Clorox Company.

Sani-Cloth® is a registered trademark of PDI, Inc.
Virex® II 256 is a registered trademark of Diversey, Inc.
Wex-cide 128 is a product of Wexford Labs.
