STANDARD VINYL SELECTION

Printed color swatches may not be an exact match to actual fabrics and are enlarged to show detail

Information contained in this literature is based on the latest product data available at the time of printing. Swatches are enlarged to show detail. Photography, artwork, text and specifications are subject to change. Photography may show optional items. Due to photographic and printing processes, product colors in this brochure are not necessarily accurate. Champion Manufacturing Inc. reserves the right to make changes to colors, materials, prices, standards, options, equipment and any specification at any time without notice or obligation. Contact Champion direct for additional information and the latest specifications.

Champion's task chairs come standard with a large adjustable seat on a 25-inch pedestal. The height adjusts easily with a hand lever under the seat, and the foot ring creates a comfortable place for users to rest their feet. Champion's task chairs are ideal for nurse's stations, computer terminals, clinic offices, lab rooms and other applications.
