

Shown with optional side table, push handle and arm caps.

The Passage recliner offers soft, radiused lines for a more “at-home feeling” that fits flawlessly in a patient room setting. The Trendelenburg feature comes standard and is unmatched in efficiency and ease of operation.

The Passage is ideal for use in oncology, surgery centers, dialysis, infusion therapies, patient rooms, long-term care environments, at-home infusion and other home therapies where patient transport in the recliner is not needed.

Gently curved to cradle the patient.
